Basketball is a great sport AND it is an excellent way to help with physical fitness. There is no other sport that uses every muscle like basketball. We have grade specific divisions based on the 2021-22 school year, so register your player for the grade they are in today. This league is for players who play multiple sports that would also like to play basketball.

Please visit our FAQ page for more information: <https://www.thefarmleague.com/basketball/faqs/>

Practice starts in May. Games begin June, with a total of 8 games and a BOYS playoff tournament and GIRLS MatchUp Bowl Game Weekend. Games will be played at Klein ISD & local gyms.
