### SUMMER BASEBALL LEAGUE

AGES: 4U - 13U (age as of May 1, 2022)

STARTS: Week of May 19

REGISTER: by May 2nd

GAMES are weekday nights & Sunday evenings  
(no Saturdays once school is out)

**4U-5U Soft Toss:** This a great transition from T-ball to baseball. It is designed for Pre-K and K to teach the fundamentals of hitting and fielding.

**6U Coach Pitch:** Fundamentals of baseball are the focus with this age group, while enjoying the spirit of the game. Rules are the same as older ages, except the players get 5 pitches and can swing at all 5.

**7U & 8U Coach Pitch:** Standard coach pitch rules.

**9U Blended Kid Pitch:** No walks or steals. Kids learn to pitch, hit a pitched ball, and play with 3 outfielders. Our kids swing the bats! This program lets them develop a foundation for REAL BASEBALL and work on the skills of the game. "No walk turning into a triple style here!"

**10U, 11U, 12U, 13U Kid Pitch:** Standard kid pitch rules.

(note the "U" stands for "UNDER" so "5U" is five years old and UNDER)

### SUMMER BASEBALL ACADEMY

AGES: 5-12 years old

STARTS: June 6-July 11, 6 weeks

Monday nights 5:30-7:30pm

REGISTER: by May 30th

Mondays, June 6, 12, 20, 27, Wednesday July 6, Monday July 11. Area high school coaches & baseball pros will run drills, focusing on form & fundamentals of the game. Academy coaches will work on drills to help compliment what they are doing in their team practices. Not only will they break down the HOW to do a specific skill, but the WHY! Many young players look for short cuts - once they understand the WHY, it makes the game easier. We want to eliminate the bad habits before they start. Players will be split into groups based on age and ability.
